An Inviting Retail Experience

India Circus by Krsnaa Mehta, a Godrej Enterprises brand, proudly unveils its latest retail destination in the vibrant city of Lucknow. Nestled within the iconic Le Press building—an exquisitely restored heritage landmark—the new store is a harmonious blend of the brand’s distinctive Indo-contemporary aesthetic and Lucknow’s storied cultural heritage. Guests are welcomed by a grand entrance, highlighted by a bespoke India Circus wallpaper and a dramatic spiral staircase, crowned by an elegant chandelier. The store presents a wide selection of offerings across categories including, Cushion covers, rugs, wallpapers, wall art, furniture, Mugs, dinner sets, glassware, and table-top accents. It also features a newly launched vertical featuring apparel and accessories that marry traditional motifs with modern silhouettes. With its “Transform Your Space” philosophy, India Circus empowers customers to infuse their homes with personality and style through well-crafted, thoughtfully priced pieces. The Lucknow store marks the 18th India Circus outlet across India and signifies a key milestone in its northern expansion.

Strengthening Presence

DesignCafe, India’s leading design-forward home interiors brand, has launched its 3rd Experience Centre in Mumbai, located at Vicino Mall, Oshiwara, Andheri West. This launch also marks its 5th Centre in Maharashtra and 17th Experience Centre nationwide, coming close on the heels of a successful launch in Pune just two months ago. Fuelled by strong demand and a growing customer base in Mumbai, DesignCafe’s new centre has been built to offer a seamless and inspiring experience to homeowners. The experience centre features a fully designed Sample Flat showcasing space-optimised interiors, display zones for modular kitchens, wardrobes, bedrooms, and living areas, Mumbai-inspired elements tailored to modern, compact homes, Design solutions that deliver up to 20% more space and a curated range of premium finishes, high-quality materials, and versatile design combinations, offering endless possibilities. This centre is a key step in DesignCafe’s commitment to delivering personalised interiors, designed with efficiency and style for the city’s fast-paced lifestyle.

New Beginnings

Gravity Bath Pvt. Ltd., proudly announces the launch of its first-ever company-owned store in New Delhi & Mumbai. This marks a major milestone in the brand's journey from a modest two-person operation in 2006 to a ₹200+ crore enterprise with a pan-India presence. With this launch, Gravity takes a bold step forward in bringing its complete range of bathroom solutions directly to consumers through a thoughtfully designed experiential retail format. Established with the mission to offer innovation, quality, and sustainability. Spread across an expansive layout, the Gravity Bath store in New Delhi & Mumbai is designed to immerse visitors in a comprehensive bathware experience. The space showcases the brand's wide product portfolio—from premium faucets, showers, and sanitaryware to accessories, kitchen sinks, and kitchen faucets. Beyond the product display, the stores introduce mock-up bathrooms and live experience zones that allow customers to interact with the products in real-life settings. Specialized mock-ups include a vibrant and trendy Youth Bathroom, an indulgent Hotel Bathroom, an elegant Premium Home Bathroom, a safe and playful Kids Bathroom, a comfort-focused Senior Bathroom, and a Live Shower Area for water-flow demonstrations and product trials. The New Delhi & Mumbai stores are the first of many planned company-owned experiences that embody Gravity Bath's commitment to thoughtful design, performance, and inclusivity. It's more than a showroom—it's a destination where style meets substance, and where every visitor finds a solution tailored to their lifestyle—bringing trust, innovation, and joy to homes across the country.

Soulful Craftsmanship

Sika Design, introduces its newest collection at India's most trusted name in luxury outdoor living—World Bazaar. Located on MG Road, New Delhi, the World Bazaar showroom is where the world's finest outdoor brands find their space, and where Indian homes, resorts, and retreats come to discover quiet elegance. World Bazaar is not just another store. For over two decades, it has been the pioneer in bringing global outdoor furniture to India. The largest importer of luxury outdoor brands in the country, World Bazaar is a name woven into the most premium residential addresses, iconic hotels, and destination resorts. From design-conscious homes in Lutyens' Delhi to serene spaces near beaches and the hills, World Bazaar has helped shape how India lives outdoors. What makes this collection special is its restraint. These aren't statement pieces in the traditional sense—they don't try too hard. They breathe. They bend. They belong. And that's what makes them perfect for Indian homes that are slowly shifting from excess to essence. The new Sika Design collection is now available in-store. Clients, architects, and design lovers are invited to explore it in person—to sit, feel, and reconnect with the idea of living beautifully, both indoors and out.
